

Twocare sensor basin tap - Chrome

Ref. 507039111

EAN Code. 5604815616590

Description

The centre of the tap body has a blue ring light above the sensor. When detecting the presence of the hands it activates the supply of liquid soap. Once the hands soaped and placed below that lighted indicator, the electronic unit activates the water that stops immediately after the user leaves. This lighted spot also acts as a battery replacement indicator when it lights up or flashes red.

Technical Information

Length: 181 mm

Width: 77 mm

Height: 175 mm

Weight: 2.64 kg

Collection: Twocare

Product type: Reduced mobility, Taps

Style: Contemporary

Material: Brass

Installation type: Basin shelf

Features

- Flow rate at 3 Bar - 6.7L/min
- With automatic soap dispenser activated by a sensor
- Fixing kit included
- Flexible connector and electrical spare part box included
- Sensor mixer
- Batteries not included
- With sensor or touch water activation
- Power supply - 6V transformer and/or 4 AA batteries
