# SHOWER TRAYS

## Shower Tray Perfection:

Beyond mere functionality lies a design statement. Our shower trays embody **clean lines, perfect angles, and minimalist elegance**. Beneath this simplicity lies a meticulous attention to detail and ideal proportions, ensuring a **seamless fit** within your shower space, while the **timeless design** allows it to easily integrate into any bathroom style.

## Perfection du receveur de douche :

Au-delà de la simple fonctionnalité se trouve une déclaration de design. Nos receveurs de douche incarnent des **lignes épurées, des angles parfaits et une élégance minimaliste**. Sous cette simplicité se cache un souci méticuleux du détail et des proportions idéales, garantissant un **ajustement parfait** à votre espace douche, tandis que le **design intemporel** lui permet de s'intégrer facilement à n'importe quel style de salle de bain.

STONIT

**Minimalist design meets functionality. Marina shower trays' collection offer a sleek aesthetic and multiple sizes and colours to perfectly complement your bathroom space, giving architects and homeowners the freedom to create the perfect bathroom oasis.**

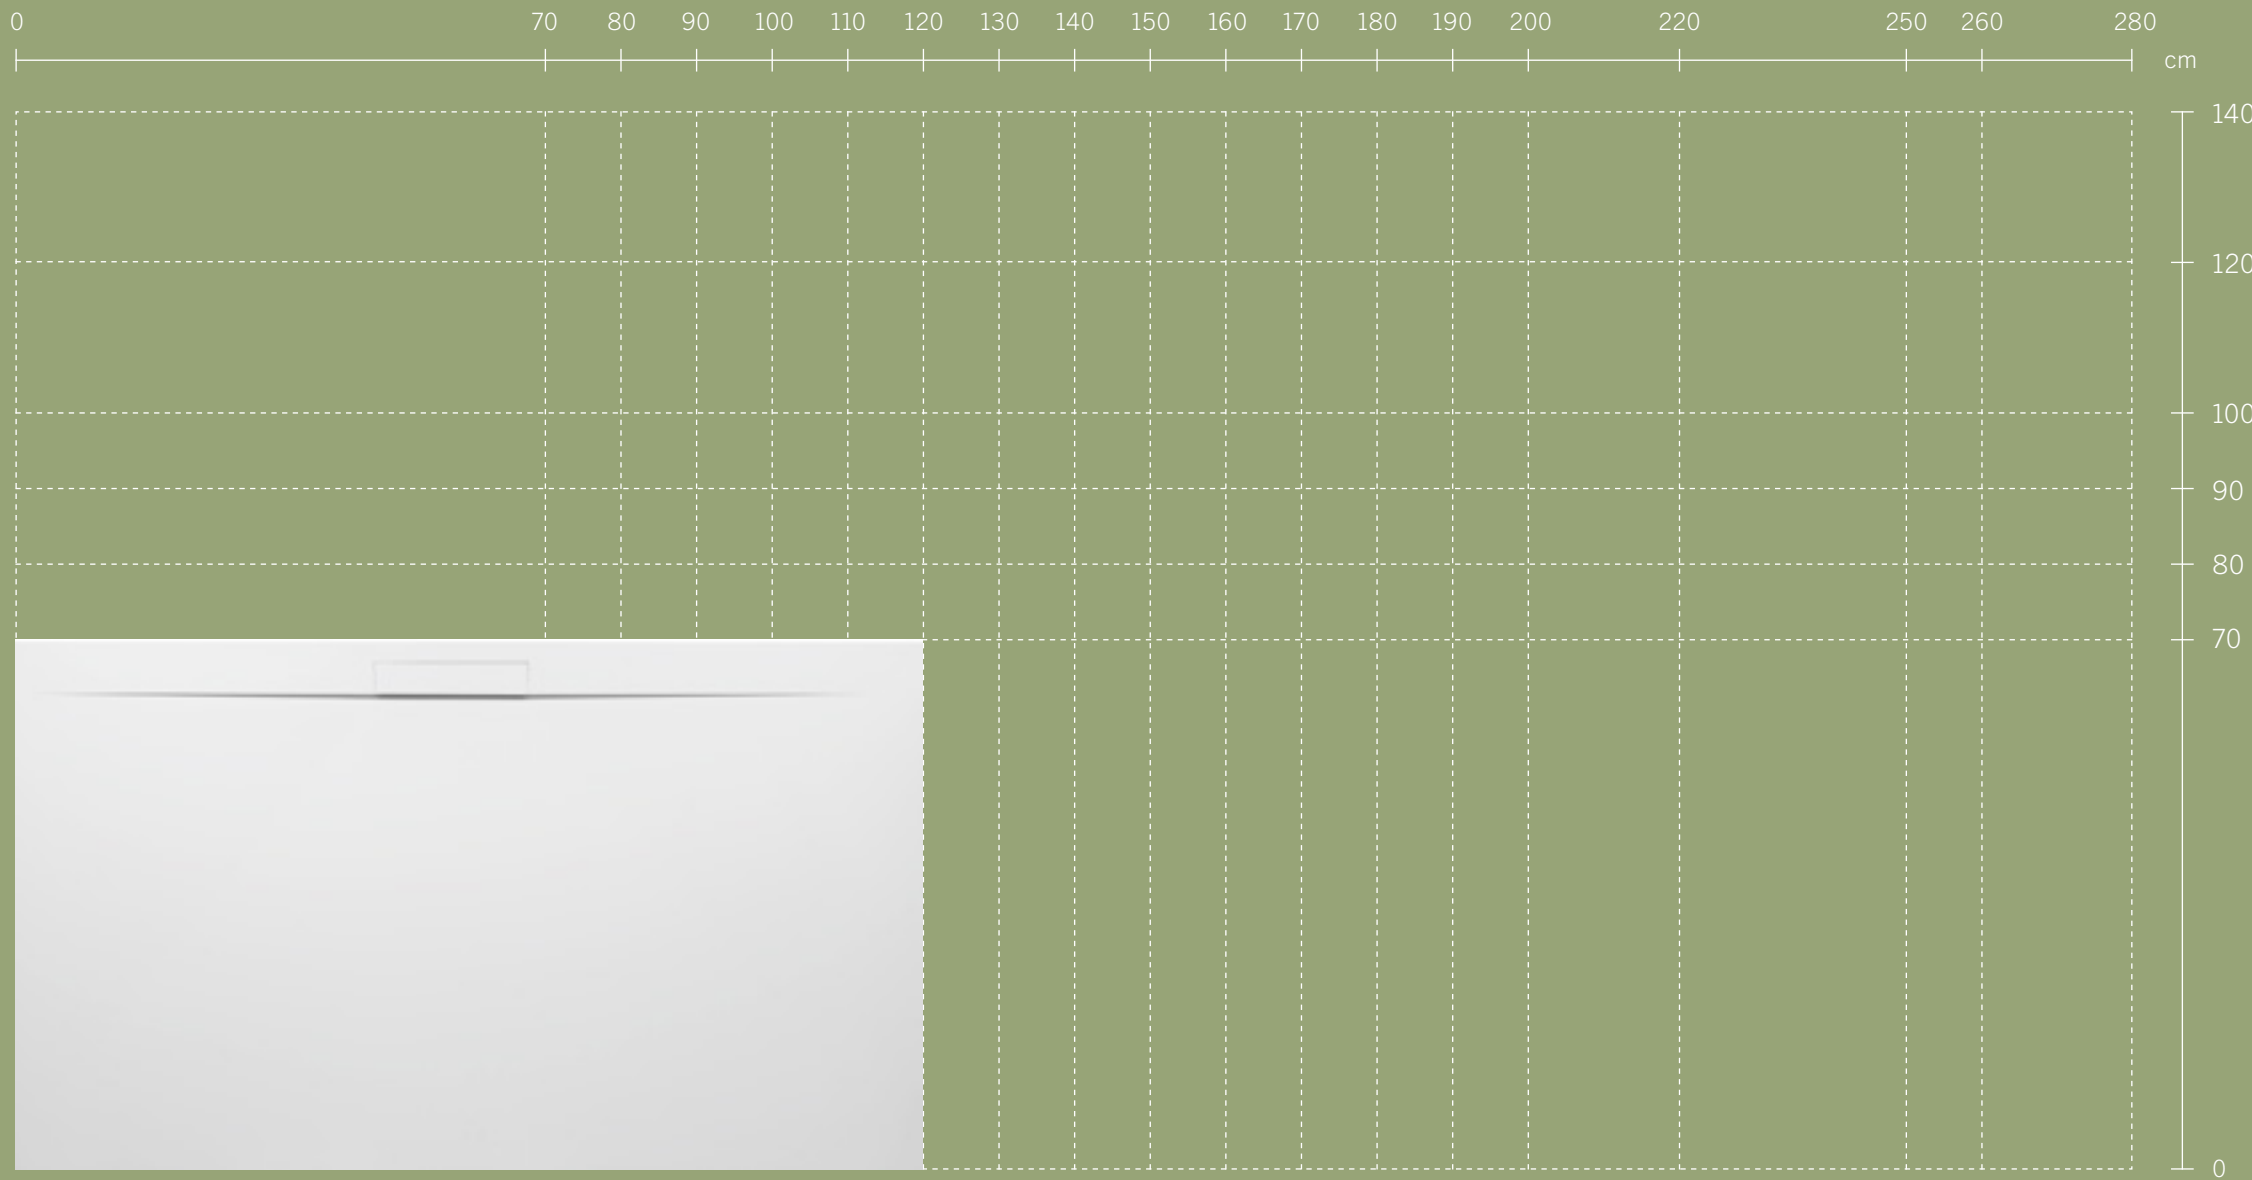

Le design minimaliste rencontre la fonctionnalité. Les collections de receveurs de douche Marina offrent une esthétique élégante et existent en plusieurs tailles et couleurs pour s'adapter parfaitement à votre espace de salle de bain, offrant aux architectes et aux propriétaires la liberté de créer l'oasis de salle de bain idéale.

PAROIS ET CABINES DE DOUCHE

Reduce cleaning hassle and environmental impact with **Ultimate Glass Protection**. This innovative coating repels dirt, grime, and soap scum, allowing them to rinse away easily during your shower. This results in the protected surface remaining easy to clean by simply applying a mild detergent and wiping with a damp cloth.

At the same time, by eliminating the need for harsh cleaners and reducing water usage for cleaning, **Ultimate Glass Protection** helps you make a difference for the environment.

Réduisez les corvées de nettoyage et l'impact environnemental grâce à la **Ultimate Glass Protection**. Ce revêtement innovant repousse la saleté, la crasse et les résidus de savon, permettant de les rincer facilement pendant votre douche. La surface protégée reste ainsi facile à nettoyer en appliquant simplement un détergent doux et en essuyant avec un chiffon humide.

Parallèlement, en éliminant le besoin de produits nettoyants agressifs et en réduisant la consommation d'eau pour le nettoyage, la **Ultimate Glass Protection** vous aide à faire la différence pour l'environnement.

# SANSEAL MEMBRANE

SPARE PARTS . PIÈCES DÉTACHÉES

This innovative **sealing band**, with its **multiaxial flexibility**, ensures a watertight seal around shower trays, bathtubs, and other sanitary ware during installation. The **double-wing design** securely bonds to both the fixture and surrounding walls and floors, creating a **strong and leak-proof barrier**.

Cette **bande d'étanchéité**, innovant, avec sa flexibilité multiaxiale, assure une étanchéité autour des receveurs de douche, baignoires et autres sanitaires lors de l'installation. Le design à double aile adhère solidement à la fois au sanitaire et aux murs et sols environnants, créant une **barrière solide et étanche**.
